HOW TO FIND THE AOT LIMOUSINE DRIVER AT THE AIRPORT

1. Please look for a sign with your name either at the baggage claim area OR as you exit the customs area.
2. If you do not see a sign with your name please contact the "AOT LIMOUSINE" service counter and inform any of the staff that you are a guest at the Bangkok Tree House and that you have reserved a car with us – they will assist you promptly.
3. Or call the limousine call-center at: 02 134-2773 or the **hotel at 082 995-1150** and a staff will come to meet you at any point in the airport.
4. Transfer charges shall be included in your bill during checkout, please do NOT pay driver. If you wish to tip the driver, a tip of 50 baht would be sufficient.
5. Once you reach Bangna Pier, one of our staff will meet you to take you across the river to the Bangkok Tree House.

Please print out these two maps (links below) of the Bangkok Tree House just in case:

VERY VERY HANDY TIPS!

Get a Thai SIM card: At the Suvarnabhumi Airport visit the DTAC counter (at the arrival hall near door number 7) and get a "DTAC Happy SIM card" and top-up at least 300 baht. **DTAC has a free translation service so if you need to talk to a non-English speaker just call *1021 and a human operator will help translate anything for you into Thai!** Besides, it's super handy to have a Thai number so you can call hotels and restaurants for directions, so ALWAYS have the number of your destination on hand. GET "THE" MAP: Get your hands on a copy of the Nancy Chandler Bangkok map (26th edition) to help plan your stay in Bangkok. It is one of the most detailed and charming maps we've ever come across, if you can't find it, it is sold at the Bangkok Tree House for 295 baht.
